World Wise Foods

Supplier Partners April 2025 – March 2026

As part of World Wise Foods commitment to transparency, we share information on where our products are sourced from on an annual basis on our company website.

World Wise Foods has a clear process for the approval of and the ongoing performance management of our supplier partners. We build long term relationships, and work in partnership with our supplier partners to meet and exceed our customers expectations.

The information below shows the supplier partners and fish raw material supplier partners we have sourced from in the 2025 – 26 Financial Year.
